

With its dramatic architecture, sumptuous suites and eye-catching interior, the Radisson Blu Edwardian Hampshire Hotel has a star quality befitting of its position in the heart of London's prestigious film and theatre land. As the capital's only hotel with a Leicester Square address, inside the Hampshire, the accent is on contemporary elegance. The hotel's rich history remains beautifully evident today thanks to the individual layout of its bedrooms and ornate red-brick facade. These historical touches are also complemented by the luxurious comforts and contemporary style of a modern five star hotel. The Hampshire is surrounded by London's best destinations. As well as the entertainment, nightlife and casinos of Leicester Square itself, Soho, China Town and Covent Garden are all within a few minutes' walk.
